THE Secretary

in Mysore, BANGALORE.

Subject :—

Treatment of infectious diseases among Indian troops at the Govt. Isolation Hospital on the Old Madras Road.

SIR,

I have the honour to bring to your notice that the A.D.M.S., Madras District, has informed me that no adequate arrangements for the treatment of infectious diseases among Indian (as opposed to British) troops exists at the Indian Military Hospital; and, in the circumstances, he requests that cases occurring among Indian troops and their families be permitted admission into the Government Infectious Diseases Hospital on the Old Madras Road.

2. Such an arrangement would appear to me to be advisable, in that it ensures that cases of infectious disease among the Indian troops are adequately isolated and treated in suitable surroundings; whereas, if the arrangement be not sanctioned, the Military authorities would be compelled to treat such cases in tents on a site to be selected by them, in which it would certainly not be as easy to maintain the necessary isolation as it is in our Infectious Diseases Hospital.

3. The arrangements involved would appear to me to be the questions of staff, tentage, discipline,

and of finance; and all of these would appear to be quite easily susceptible of solution between the A.D.M.S., and myself with the exception of the last item, on which, of course, the opinion of the Finance Officer would be obtained.

4. I have, therefore, the honour to recommend that the the Hon'ble the Resident be pleased to accord his sanction in principle to such an arrangement and to empower me to work out the details of the scheme in consultation with the A.D.M.S.

I have the honour to be,

Sir,

Your most obedient servant,

Lt.-Col., I. M. S.,
Residency Surgeon.

Treatment of infectious diseases among Indian troops at the Government Isolation Hospital on the old Madras Road.

SIR,

S.N. 1
c.p. 1

I am directed to refer to your letter No.117/1-12/1-B/35, dated the 10th September 1935, and to say that the Hon'ble the Resident is pleased to approve in principle the proposal that cases of infectious disease occurring among Indian troops and their families may be permitted admission into the Government Infectious Diseases Hospital on the Old Madras Road. I am to authorise you to work out the details of the proposed scheme in consultation with the Assistant Director of Medical Services, Madras District, provided that it does not involve any extra expenditure from the Mysore Assigned Tract revenues. The scheme may in due course be forwarded to this office for the consideration of the Resident.

I have the honour to be,

Sir,

Your most obedient servant,

O/C

SECRETARY TO THE RESIDENT.
